

SYNOPSIS OF MINUTES OF COMMITTEE MEETING 5.01.21

- Sadly during our meeting the PM announced the national lockdown. Therefore, all swimming sessions are cancelled until future notice. As with the previous lockdowns Duncan will be in contact to share his recommended activities to keep all swimmers fitness levels up so they are ready to commence training again as soon as the lockdown ends.
- The committee will issue an email about standing order payments shortly.
- ASA annual fees are now due. If you have not made this payment yet please do so immediately. We are aware that some members did not receive the email communication about these fees. If you have not received the email please let us know asap.
- We urgently need more poolside helpers for our swimming training sessions. Please contact us and let us know if you can help. No experience necessary.
- We urgently need more officials to help run our club galas. Please let us know if you would like to train as a timekeeper or a J1 official. All training is provided. We cannot run galas without our volunteers. No times, no rankings and no entry to open meets.
- We acknowledge that during the covid restrictions our general communication about club activity and future plans as been very limited. We are working on resorting our regular club newsletter and hope to have the first newsletter issued soon. Please send us photos of your activities during lockdown and if you have any other ideas of things to share in our newsletter and social media please let us know.
- We have received a small number of free swim hats and other items from the 2020 Swimathon. Duncan will be awarding these to members who are making exceptional efforts in and/or out of the pool.
- All rankings and times for swimmers are on the Swim England website. They are up to date and easy to access. Website is www.swimmingresults.org
