Ledbury And Malvern Swimming Club Constitution Jan 2021

Ledbury And Malvern Swimming Club (LAMSC) would like to thank all the Swimmers, Parents, Friends and Businesses, that support our club.

LAMSC has a Swim England Accreditation.

Parents need to be aware that 'LAMSC are only responsible for children when they are in the water, not in the changing rooms or outside the pool.'

CONDITION OF MEMBERSHIP

LAMSC is a competitive Swimming Club and expects all its members to make themselves available to swim for the club when selected. In addition it is a condition of membership that members compete in at least FOUR Club Championships. Membership of those swimmers who fail to meet these minimum requirements will be reviewed by the Committee.

SWIMMING SQUADS

The squad structure at LAMSC offers a clear pathway from the latter stages of learn-to-swim right the way through to competitive swimming at the highest levels of the sport. Long term development is the overarching strategy, and the squad structure is designed to slowly and patiently build the necessary skills and capacities that are required for swimmers to be successful when their bodies mature. Short term 'success' is put to one side in order to maximise the chances of each swimmer reaching their full potential later on and the training strategy takes advantage of the critical biological periods when a young athlete's body is primed to make large gains relatively easily. In other words, the structure is designed to give the swimmers what they need when they need it.

The pathway is defined in three stages: **ACADEMY**
DEVELOPMENT
COMPETITIVE

ACADEMY

Academy 1, → Academy 2

Swimmers from around the Stage 6 level of the Swim England Learn to Swim programme can join the Academy Squad. This stage offers a smooth transition from the learn-to-swim framework into a competitive club environment.

DEVELOPMENT

Development 1 → Development 2 → Age Group 1 → Age Group 2

The primary objective here is skill acquisition. In order to maximise motor-learning, swimmers will typically be within the 8-12 years age bracket. Developing great technique at this stage will allow the swimmer to flourish in their competitive years.

COMPETITIVE

County 1 → County 2 → County 3 → Regional → National

The 12+ years is where a swimmer's aerobic capacity is maximized (ie 'build the engine'), followed by their anaerobic capacity. This is done in conjunction with technique and skill refinement, something that will continue to play a major role throughout each swimmer's career. This is where the focus steadily transitions over to the competitive side of things with more emphasis on the processes needed for each swimmer to reach their full potential.

Each of the above stages are divided into numbered squads to allow for natural progression through the club, with the lower number being the entry level into those squads.

Swimmers are placed in squads based, not only on their technical ability and physiological attributes, but also on their drive, competitiveness, focus and work ethic. These are all characteristics that can be shaped over time and play a key role in developing broader life skills as well as succeeding in a competitive club environment. Movement between squads is discussed with swimmers and parents when the coaching team are happy that they are ready for the next stage in their development.

For those swimmers who can no longer commit to the amount of training required or for adults looking to swim for fitness (or competitions) we also offer the following options:

Competitive Club

Competitive Masters

Suitable for swimmers who cannot commit to more than two sessions per week but are keen to swim for LAMSC in team competitions. Sessions are agreed with the coaching team. Minimum age 18yrs.

Please note that entry into any of the above membership categories is at the discretion of the Head Coach.

CLUB CHAMPIONSHIPS

Club galas are an extremely important part of the LAMSC season. They provide an opportunity to compete in every event on the racing programme over the course of the year; the galas are licensed for those swimmers looking to gain entry times into open meets or County Championships and provide a very friendly introduction to competitive swimming for our younger members.

Gala entries will only be accepted on LAMSC gala entry forms, which are distributed as an attachment to an email from the Head Coach outlining the format of the gala, or alternatively in an emergency can be obtained from the Treasurer. In addition, hard copies will be attached to the club noticeboards at Ledbury Pool and Malvern College. Please note that we are using the same template as we do for open meets.

A couple of useful points for completing the entry form:

- Simply tick the 'Event Number' to indicate which events you would like to enter and as per the event schedule as outlined in the email.
- If you have a recorded time please write it down in the boxes provided – this helps the gala organisers draw up the best race programme possible when swimmers are competing in the most appropriate heats. If you don't have a time please speak to your coach.
- Please put completed entry forms in an envelope together with cheques or the bank transfer reference used in the LAMSC post boxes at either Ledbury or Malvern.
- Please ignore the '£1 Levy' for Club Gala entries & 'Team Managers' section - these are just for open meets.
- Unfortunately we currently cannot accept entries via email.
- All entries must be received no later than the closing date as outlined in the email from our Coaches. Entries after the deadline will not be accepted.

The entry fee for Club Galas is as follows: £3.00 for Academy and Development squad members entering just the two 25m events, or £5.00 per person for all other swimmers. Payment must be made together with the entry otherwise the entry cannot be accepted.

For 200m events we would expect all swimmers from Age Group Squad and above to enter with Academy, Development and Age Group Development members entering at the discretion of the coaching team.

The Junior Sprint Champion - This is a new event we are running this season for all our 11 years and under swimmers. It is a one length freestyle sprint and will be run during every gala from #1 to #5 with the fastest 5 swimmers qualifying for the final in Club Gala #6 at the end of the season. This will be a mixed event with boys and girls competing together for the prize of 'Junior Sprint Champion 2019/20'. Please note: there is no need to enter the event on the form - all those eligible will be automatically entered into this race.

A NOVICE is a member of the Club who is aged 9 and under, 10/U 11/U or 12/U on the day of competition and has not previously won a Gold medal in an individual event (except 7/U, 8/U and the Handicap events) in a Club Championship Gala.

AN INTERMEDIATE is (1) a member of the Club who is 12/U on 31st December in year of competition, (2) a member of the Club who is 13/Over on 31st December in year of competition who has not previously won a Gold Medal in 13/14, 15/16 and 17/Over events in a Club Championship Gala.

Winners of the Novice and Intermediate events in previous years are not allowed to compete in these same events in subsequent years.

Club Gala formats and fees are reviewed annually by the committee.

CLUB CHAMPIONSHIP TROPHIES

Winners are responsible for having their names engraved thereon after the presentation and should return them to the Hon Secretary 14 days before the date of the next year's presentation.
